

University Membership engages your program's full-time students in NAIOP!

Your students' involvement in NAIOP programs and chapters offers real-world experience that supplements what they are learning in the classroom. Expose your students to this unique program and launch their involvement in an organization that will support them throughout their careers!

Your University Membership opens the door to...

Chapter Meetings and Events

With 55 chapters across North America, there's no better place for students to get connected than in their local markets. They'll have access to countless programs, project tours and social events that build connections — today, and in the future.

Membership Directory

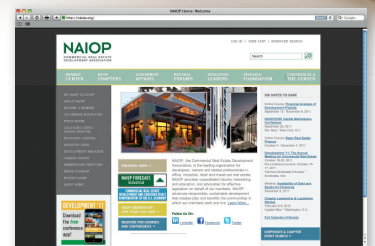

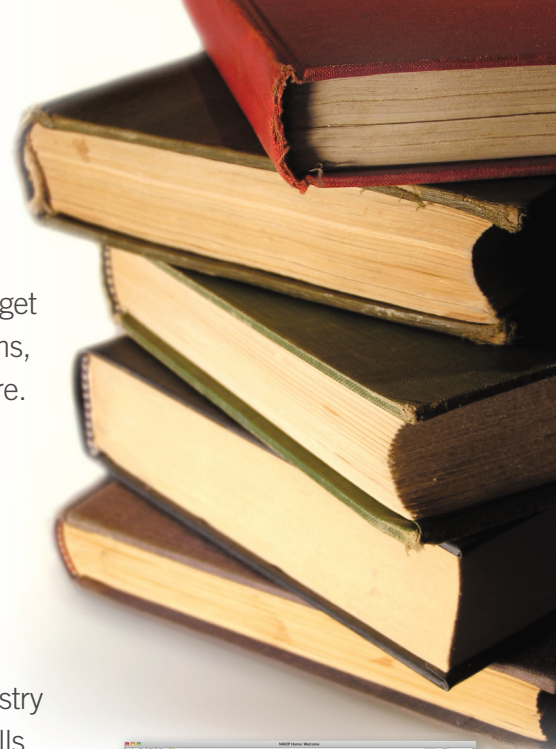

NAIOP's online, fully-searchable Membership Directory is a virtual Rolodex to the industry's leaders.

Career Center

Looking for a job? NAIOP's online career center will connect students with industry positions, plus they'll access resources to refine resumes, polish interview skills and more.

Website

Students will have full access to naiop.org — the industry and association's top resource for commercial real estate knowledge, association news and connections.

The University Membership program is available to colleges and universities offering undergraduate and/or graduate programs in real estate. The college/university maintaining a University membership must designate a current employee (**not a student**) affiliated with the institution to serve as the point of contact for the membership. Full-time students enrolled and pursuing a real estate degree in a college or university holding a NAIOP membership in this category will receive select NAIOP benefits. University Membership fees are based on the number of students in your program.
